

BILL BARNES

Bill Barnes manages federal government relations for Intermountain Healthcare. Intermountain Healthcare is a not-for-profit integrated healthcare delivery system that operates 23 hospitals, 175 clinics and employs approximately 700 physicians. Intermountain also has a health insurance group, SelectHealth that provides health coverage for approximately 450,000 people.

Prior to his current assignment, Bill was Director of Community and Government relations for Primary Children's Medical Center, Intermountain's children's hospital.

Bill was the director of Community and Government relations for the Utah Transit Authority before going to Primary Children's.
