

CGFM Section 1 class

The AGA Northern Utah Chapter is offering a one day class to help prepare you to pass the first section of the CGFM certification test. The class will be given on April 1, 2010 (at the Multi Agency State Office Building, 195 North 1950 West, Salt Lake City). The class will be taught by a National AGA instructor. The class is limited to the first 35 registrations.

The cost for the one day class is:

AGA members \$110

Non members \$130

To keep costs affordable you will need to bring or buy your own lunch.

If the attendee passes the national exam within 90 days **one half** of the registration will be rebated back to the attendee.

For the first 10 individuals who actually sign up for the exam, we have a certificate to pay for the cost of the exam (a \$109 value). The exam will be given at the Pearson Professional Center, 11734 Election Road in Draper.

There is a registration deadline of March 22, 2010 to make sure all class materials arrive on time.
